

Eser Otomotiv, 30 yılı aşkın deneyimi ile 8000 m² kapalı alanda faaliyet gösteren entegre bir kuruluştur.

Kurulduğundan bu yana sektörde hep daha iyi kaliteyi müşterilerine sunmak için gerekli olan tüm teknolojik yatırımları gerçekleştiren bir firma kültürüne sahiptir.

Eser Otomotiv kalite konusundaki öncü konumunu ve müşteri memnuniyetini sağlayan dinamizmini, önümüzdeki yıllarda da sürdürecektir.

ESER TOMOTIV is an integrated establishment manufacturing lighting products for a wide range of vehicles in a 8.000 square meters plant for more than 30 years.

Company's management philosophy includes people orientation, technical creativity and pursuit of excellence. At ESER we are oriented to keeping a systematic structure which continuously improves human resources and infrastructure to provide better products and services in respect of quality and price compared to our global competitors.

The factory is certified under ISO 9001:2000 for Quality Management Systems.

We supply OEM and after-market in several countries. We are always open and interested to establish business long-term relationship at all levels based on partnership and mutual understanding.
